**To Whom It May Concern: {you can change it, if you have name of manager}**

Since 1977, the Penn State IFC/Panhellenic Dance Marathon (THON) has raised more than \$236 million to help children in their fight against childhood cancer. THON, the largest student-run philanthropy in the world, is a yearlong fundraising effort by Penn State students that culminates in a 46-hour, no sitting, no sleeping dance marathon each February. THON benefits Four Diamonds at the Penn State Health Children's Hospital in Hershey, Pennsylvania, which provides outstanding patient care while continuing to foster innovative childhood cancer research initiatives. Last year, THON raised over 16 million dollars For The Kids@!

As a THON volunteer, I assist in procuring in-kind donations necessary at all pre-THON events and throughout THON weekend for the Four Diamonds children and their families. Our efforts would not be possible without the help of our generous donors. While we are grateful to obtain a variety of donations throughout the year, there are still many necessities that we do not receive. Thus, we reach out to important businesses in the community in hopes of finding local support for these hard-to-obtain necessities.

{Store Name} has the opportunity to help make a difference. We rely heavily on gift card donations that allow us to obtain all necessities that we cannot otherwise get donated which is essential to helping lower our internal costs. I am hoping you would be willing to provide THON with a gift card donation, as these contributions are of immeasurable value to THON in keeping 96¢ of every dollar raised to support families impacted by childhood cancer. We would greatly appreciate any donation you can provide to help us keep THON a growing success. All contributions and in-kind donations are fully tax-exempt. **The Federal ID Number is 24-6000-376.**

On behalf of the more than 16,500 THON volunteers, I would like to thank you for considering our request. We sincerely value the support we have received from {Store Name} in the past and hope to continue working together in support of THON 2025.

If you have any questions about making a donation or about THON in general, please feel free to contact me at {your phone number} or {your email}. Again, thank you for your consideration and we hope you join us in the fight against childhood cancer.

“One day we'll dance in celebration. Until then, we dance for a cure.”
